

7th September 2021

Premier Wraparound at Waterbeach Primary School

Dear Parents,

We are happy to welcome you all back to Premier Wraparound this September! We are happy to confirm there will be no restrictions in place on numbers, but of course we will still be following government guidelines within our delivery to ensure everybody remains as safe as possible.

We would like to update you on some new staff additions for this school year.

We welcome Kyle (Mr Green) as Wraparound Care Lead. Kyle has over 10 years' experience with Premier, as well as over 7 years' experience with Waterbeach Primary school delivering P.E.

We know the children and school are extremely excited by the news that Mr Green will be overseeing the Wraparound Care this year.

We would also like to welcome Chloe Cambridge to the leadership team. Chloe has been with the Waterbeach Premier Wraparound team for over a year now and is currently in her final year at Anglian Ruskin University, studying Primary Education studies.

I'm sure you'll join us in welcoming in both Kyle and Chloe into their new roles.

There are still spaces available before and after school, which can be booked at www.premier-education.com

If you have any enquiries, please email waterbeach@premier-education.com

We look forward to an active, safe, and fun year!
