

<p style="text-align: center;">Topic</p> <p>This term we will be investigating Ancient Egypt.</p> <p>Any reading outside of school to do with the Ancient Egyptians will only benefit your child when it comes to completing work in school.</p> <p>We will begin with looking at the chronology of the Ancient Egyptian period so the children have a concept of when it happened in relation to other historic events.</p>	<p style="text-align: center;">Year 6</p> <div style="display: flex; justify-content: space-between;">   </div> <p style="text-align: center;">Dear Parents / Carers,</p> <p>Wow what a first week back. We seem to have been blessed with the sun during the first week back and the children seemed to have settled into the new routines. When were the Summer holidays?!?</p> <p>If, over the Summer, you think your child has matured enough so that you are happy for them to walk home on their own, please can you contact the school office so that we are able to update our records.</p> <p>This is also the case for any changes in phone numbers, work place, etc.</p> <p style="text-align: center;"><u>Water Bottles</u></p> <p>Please can we encourage the children to bring water bottles into school. There have been a few children without and with the current warm weather, it is imperative that the children keep well hydrated.</p>		<p style="text-align: center;">Library</p> <p>The children will be utilising the library on a Tuesday where they will be able to check books out.</p>
<p style="text-align: center;">Science</p> <p>We shall be investigating 'Forces' and establishing what is a force first and foremost.</p> 	<p style="text-align: center;">Art</p> <p>We shall be using our observational skills to draw the Eye of Horus.</p> 	<p style="text-align: center;">Homework</p> <p>The school is currently in the progress of moving all of the children from their old classes to their new Year 6 classes – this process does take some time and so a little patience regarding this matter will be greatly appreciated.</p>	
<p style="text-align: center;">English</p> <p>The book to the left will be the main focus for the next three weeks but next week we will explore some of the different stories of how the Egyptian Gods came to be.</p> 		<p style="text-align: center;">Maths</p> <p>In Maths this week, we shall be looking at the number system and place value. The children will be counting in increasing amounts, comparing and ordering numbers.</p> <p>Throughout the first part of the term, we shall be assessing the children both in class and more formally to ascertain what gaps there are in the children's learning and how these can be addressed.</p>	<p style="text-align: center;">PE Sessions</p> <p>Currently the children need to have their PE kits in school all of the time but our scheduled PE days are on <u>Tuesday</u> and <u>Wednesday</u>.</p>
		<p style="text-align: center;">Communication</p> <p>It has been great to get to know the children this past week but if any issues creep up or you need clarification on something, please feel free to contact myself, Mr Smith (Pandas Class Teacher) or Mrs Norman (Tree Kangeroos Class Teacher).</p> <p>Mr Smith – dsmith@waterbeach.cambs.sch.uk Mrs Norman – enorman@waterbeach.cambs.sch.uk</p>
