**Wraparound Care**

Premier Education are delighted to partner with Waterbeach Primary to provide comprehensive Wraparound Care services at the school. Our partnership with Waterbeach Primary spans over 4 years, during which we have managed wraparound care, facilitated inset days, organised holiday camps, overseen physical education activities, and conducted lunchtime clubs.

Premier Education takes pride in offering a premium Ofsted-registered wraparound care facility. We are committed to delivering high-quality out-of-hours care for the school's students, ensuring a reliable and exceptional service that caters to the needs of busy parents and children alike.

In alignment with the school's ethos, Premier Education works closely with Waterbeach Primary to uphold the school's ethos within our provision. This commitment ensures consistency and a smooth transition for students from their school day into our after-school care programme.

Leading The Waterbeach Primary Premier Team is Isaac Maynard, who has successfully overseen the venue for the past two years. Under his guidance and leadership, our wraparound care services have flourished. Isaac is readily available during sign-out times to address any questions or concerns you may have. Alternatively, you can reach out to Isaac via email at [imaynard@premier-education.com](mailto:imaynard@premier-education.com).
