

<p style="text-align: center;">Topic</p> <p>We shall be making a start on our next English unit this week studying the process of making chocolate so that we can become experts in the process.</p>	<p style="text-align: center;">Year 6</p> <div style="display: flex; justify-content: space-around;">   </div> <p style="text-align: center;">Dear Parents / Carers,</p> <p>Another week has flown by and children have been really getting into Coraline as we near to the conclusion of the story.</p>	<p style="text-align: center;">Reading / Fluency Practice</p> <p>Anytime spent reading and discussing books, or completing some operation examples as per the letter we sent out at the end of last term would be hugely beneficial.</p>
<p style="text-align: center;">Forest School</p> <p>We will not be going to Forest School this week. Our next scheduled time will be Tuesday 6th February</p>	<p>The children took part in Conflict Resolution Day on Thursday and were confident in resolving disagreements but also surprised at the impact at which conflict can have on our friendships but also ourselves.</p>	<p style="text-align: center;">Reading</p> <p>We are more than happy for children to bring in books from home but a name in them would be helpful. We will visit the library on a Friday if your child continues to read books from there.</p>
<p style="text-align: center;">English</p> <p>In English this week, we shall be completing our own endings for Coraline having read up to a certain point in the book. This will allow for a certain amount of imagination and not necessarily having to follow what they know is the ending.</p>	<p>Next week proves to be an interesting one as the process to replace Miss Green takes place.</p> <p style="text-align: center;">Jewellery</p> <p>As stated in the termly letter and Miss Green's most recent newsletter, jewellery should be kept to a minimum with a single pair of stud earrings. Necklaces, rings, ankle bracelets, hooped earrings should all stay at home. This also includes any Smart watches (i.e. the ability to record or take pictures) that may have been bought for Christmas.</p>	<p style="text-align: center;">PE Sessions</p> <p>Currently the children need to have their PE kits in school all of the time but our scheduled PE days are on Monday and Thursday. If we can encourage children to have their earrings out on these days, and any long hair will need to be tied back.</p> <p style="text-align: center;">PLEASE BRING A CHANGE OF SHOES FOR THURSDAYS!</p>
<p style="text-align: center;">Science</p> <div style="display: flex;"> <div style="border: 1px solid blue; padding: 5px; margin-right: 10px;"> <p style="font-size: small; color: blue;">Reversible and Irreversible Changes</p>  </div> <div> <p>This week in Science we'll be investigating reversible/irreversible changes and how this could allow us to stave off dehydration.</p> </div> </div>	<p style="text-align: center;">Maths</p> <p>In Maths this week, we shall be investigating how to calculate an area and perimeter of a shape before considering how to convert metric units.</p>	<p style="text-align: center;">Communication</p> <p>Please do contact us if any issues creep up or you need clarification on something, please feel free to contact myself, Mr Smith (Panda Class Teacher) or Mrs Freeman (Tree Kangaroo Class Teacher).</p> <p style="text-align: center;">Mr Smith – dsmith@waterbeach.cambs.sch.uk Mrs Freeman – cfreeman@waterbeach.cambs.sch.uk</p>
