Dear Parents and Carers

I'm writing to let you know that unfortunately we will need to increase the price for paid school meals after the Easter holiday to £2.45.

I know this will not be welcome news, but our catering company have had to increase their charges due to minimum wage increases along with continued food inflation which have both had a significant impact to their costs.

If you think you may be entitled to Free School Meals but are not already registered please make an application using the link below or ask the school office for a paper application form.

Kind Regards

Miss Jane Green
