

Please come and join us for...

Earth Day

Gardening Afternoon

On **Friday 19th April 1:00-2:30pm** we will be celebrating **Earth Day!** Earth Day is an annual event to demonstrate support for environmental protection. This year, Earth Day is Monday 22nd April so we will be celebrating a few days early!

We are inviting parents and carers into our Foundation Stage Garden to help us with some gardening. If this is something you are interested in, **please contact your child's class teacher.** Please note, as much as we would love all parents and carers to be involved, there are limited spaces available.

We are also **asking for a £1 donation** from each child so that we can purchase soil, seeds and herbs to plant in our garden. Please send these donations in after the Easter holidays.

If you have any soil, seeds, plants, pots or planter donations of your own, please do let your child's class teacher know.

We look forward to celebrating Earth Day with you!

Our school encourages each child to grow into a happy, confident individual, thriving in a supportive community where each is inspired to learn and discover through a kaleidoscope of opportunities, with space to imagine and to create.
