PREMIER WRAPAROUND CARE WATERBEACH COMMUNITY PRIMARY SCHOOL SPRING 2 NEWSLETTER

Dear parents and carers,

We hope your families are well and have enjoyed this term.

We have covered a variety of sports and activities across both our key stages, enriching the learning experience of our students. Throughout this half term the children have engaged in a multitude of themes including world book day, a focus on farms in KS1 as this is the topic they are covering in school, sports, and spring festivities.

The KS1 Children have enjoyed a lot more time outside this term starting to build on their sporting skills as well as playing exciting tagging games like Pokemon tag, granny footsteps, and Pac Man tag. The children have experienced using the tennis equipment, relay races, throwing skills and more to hone in on their basic sporting skills that can be used in multiple sports. We have also continued with lots of arts and crafts in the classroom too, including learning focused on farms as this is the early years topic for spring 2. The children have loved our indoor activities including yoga, dancing, and den building to name a few.

The KS2 Children have enjoyed a wide variety of activities Including dodgeball, football, cricket, capture the flag, end zone, 3 ball rounders, tennis and nerf. KS2 have still been allowed as a group to take a big ownership in how their afternoons go this new school year like they did last year, all taking part in votes to decide what activities they do. With the weather brightening up in spring 2 it has been amazing to have the children out in the fresh air for much longer periods of the afternoon meaning we can expand the sports we deliver. The KS2 have also enjoyed indoor activities, virtual quizzes and arts and crafts!

We have added one exciting theme to our schedule this term with our "baking Fridays" The children have loved being able to prepare and bake their very own tasty treats, so far this has included gingerbread, brownies, and shortbread. With more delicious recipes this will be another big part of our Friday afternoon.

As we transition into the vibrant spring months the children will continue to be introduced to an array of outdoor activities, while still having engaging arts and crafts sessions, baking, and indoor sports. We hope to have the field back in use next term which will allow us to expand our sessions even more as i know the children have missed being on there.

WHAT'S COMING UP...

HOLIDAY MULTI-ACTIVITY CAMP:

We're pleased to be offering our action-packed holiday club and football camp over the Easter holidays half term. The camps will run from the 2nd - 5th April & 8th - 12th April, 8:45-16:00.

Our holiday camps offer a full range of activities to entertain your children whatever their interests. Available only to children who attend the school, providing a safe, affordable, friendly, and fun environment to keep the kids entertained all day long on site.

Please look out on our socials to see the images of the children in action

PAY-ON-THE-DAY BOOKINGS:

Following the Easter break, we'll be introducing a £5 administration fee for pay-on-the-day bookings made after 1 pm. On certain days, we experience an influx of over 30 late bookings in the afternoon, leading to additional administrative tasks such as processing payments, updating registers, and communicating with class teachers and venue leads.

While we encourage parents to book in advance whenever possible to assist us in staff organisation and correct ratios, we understand that plans can change late. Where last minute care and provision is necessary, we are of course more than willing to provide support.

A FINAL WORD:

We will continue to provide updates via Class Dojo daily of the phenomenal work and efforts of the children, so please look out for daily updates!!

Thank you so much for all your ongoing support and we're looking forward to going into the second half of Autumn term together!

If you have any questions, please email waterbeach@premier-education.com or call 01223 631310.

Yours sincerely
Premier Education
