## Curriculum Capture for Year 1/2

### Computing: 1.6 Animated Story Books

Key Knowledge	
What are e-books and 2Create a Story?	How do I add animation on 2Create a Story?
<p>Books can be read in a traditional format in print but they can also be read on a screen, such as on a laptop or iPad. These are usually called '<b>e-books</b>' or '<b>electronic books</b>'.</p> <p>Children will login to Purple Mash and select '<b>2 Create a Story</b>' to begin creating their own story about an animal by writing and drawing pictures</p>	<p>Animation can be added to an e-book to help the story come to life.</p> <p>Children will practise using the different arrows to move through their story one page at a time or to play the story from the beginning and add animation using the <b>Animation tool</b>.</p>
How do I add music on 2Create a Story?	How do I add backgrounds and pages to my story?
<p>The children will find their saved story and practise using the '<b>My Story</b>' level to view all of the pages of their story on the screen.</p> <p>They will be able to try different <b>sound effects</b>, create their own <b>tunes</b>, or <b>record themselves</b> telling the story.</p>	<p>Background can add depth and interest to a story book.</p> <p>The children will explore adding or making a background for a story. This can be done by using images on Purple Mash, drawing their own background or importing a picture from somewhere else on the computer.</p>
How do I share my story on a class story display board?	
<p>The children will practice 'copy and paste' on 2Create a Story using pictures and pages.</p> <p>The class will share their stories with each other by sharing their work onto a 'class story book display board' on Purple Mash.</p>	

By the end of this unit children will have made a digital story about an animal.
