Dear parent/carer,

It is with great pleasure to confirm that we will be running a multi activity Holiday and Food Programme course this Summer Holidays. With funding secured from the Department for Education we are working with your School and Cambridgeshire Council to provide free access to spaces on this course. Eligible children will be able to receive 64 hours of funding within their allocation.

The HAF programme is open to all children who receive free school meals due to low family income.

The course details can be seen below:

There is **NO COST** for your child to attend, however these places are limited so please try and make every effort to ensure your child attends as this place could have been taken by another child. There are 20 funded places available, which will be allocated on a first come first served basis.

Summer funding is available for all eligible children to attend 64 hours across all provision. Your code will be checked to ensure that you are not booking more than you are eligible for.
