Jewellery

Dear Parents / Carers,

The requirements for school uniform are available on the [website](#). I am writing with the expectations for jewellery.

The children should not be wearing any form of jewellery in school.

The children are able to wear a watch but this should not be a Smart watch that has the capacity to link to a phone regardless of whether that phone is in school or not.

The children are able to wear plain, studded earrings which should be able to be removed for PE competently by the child and if this is not the case, they will need to be removed at home. Hooped earrings should not be worn due to the risk it poses in a busy school environment.

Make-up, and more specifically at this age, nail varnish, should not be worn. This, equally, includes any gel, acrylic or false nails that have been professionally done, or done at home.

Looking ahead to our feeder secondary school (and other local secondary schools), all of the above is expected to be adhered to with regards to their uniform policies so this remains something that we would like to instil with your children before they arrive at secondary school but this is only possible with your support.

Kind Regards,

Mr Daniel Smith

(Year 5/6 Team Leader)

Our school encourages each child to grow into a happy, confident individual, thriving in a supportive community where each is inspired to learn and discover through a kaleidoscope of opportunities, with space to imagine and to create.
