

## All About Me

Over the summer, we would like for you to work with your child to create an 'All About Me' book. This is a book for your child to share with others when they start school to help the teachers and other children to get to know them. We also use the books through the year when talking about different topics.

You can work together to decorate the outside cover as well as fill the pages with pictures, drawings and photographs of the people, places and things that are important to your child.

You may choose to give the pages headings, and we have included some suggestions below. Feel free to change or add to these and do not feel you have to fill every page in the book. *Please include the photographs suggested in italics so that your child can participate fully in our topic work through the year.*

- My name
- My Birthday  
*To include photo(s) of your child as a baby and on one or more previous birthdays*
- My Family  
*To include a photo(s) of family members who are important to your child*
- My pets
- My friends
- My favourite toys and books
- My special events  
*To include a photo(s) of your child enjoying a celebration with family e.g. Diwali, Christmas, Easter, Chinese New Year*
- My holidays and the countries or places I have visited
- My summer holiday:  
*To include photos and pictures of 'Ready, Steady, Reception!' activities:*
  - # Sharing Books*
  - # Just Outside Your Door*
  - # Growing Little People, Plants and Things*
  - # Mini Artists*
  - # Ready Steady Blow*
  - # Postie*
  - # Wonderful Waiting Games*

Please have the books ready for when we come to visit you during your Home Visit in September. We would like to take the books back to school with us so that they can be put in a special box ready to be shared on the first day of school.

Every year, we find that the children love to share these books with their friends and the adults and do this throughout the whole school year and we can't wait to see them!
