Dear Parents and Carers

It has been brought to my attention that when children are being picked up from an afterschool club, some drivers are speeding down the drive.

There have also been reports of irresponsible parking in the staff carpark. I have seen cars parked on the grass, squeezed against the pathways and consequently blocking driver's view of children who may run out.

I am concerned that there could be an accident caused by this and I ask everyone to please put the children first!

If this continues to endanger our children I am sorry to say that I will close the gates at this time to protect them.

I do hope that you understand the sentiment behind this letter and help us by driving responsibly or even parking off site.

Yours sincerely

Jane Green
Head teacher
