				impacting the children's enjoyment and attitudes towards P.E. Training May 2018
Broader experience of a range of sports and activities offered to all pupils.	<p>Children will have tried a number of different activities and taken part in a variety of sporting events</p> <p>Play times will involve a number of active independent sporting activities</p>	<p>12 clubs available to all children</p> <p>New clubs started Sept 2017 include KS1 Yoga, Sport Stacking, Archery and Fencing. With continued dance, boot camp and gym clubs from the previous year.</p> <p>Sports to be promoted at assemblies. One to two sports included in the 'University programme',</p> <p>Continue to resource equipment for play times. Play Leaders to be trained to facilitate</p>	Resources - <b>£300- £500</b>	<p>Broad Clubs list available to children with some clubs filled to capacity each term with a waiting list. KS1 Multisport so popular that it has been extended to double the original capacity. Club list accessed and promoted termly to encourage access to all. (Children's attendance is being tracked). As a result at least 144 chn have accessed a school club for at least 1 half term. This figure does not include data from the 2x lunchtime clubs and the new Archery club. The school offers a range of clubs that helps to develop different skills and broadens chn's experiences. Club attendance is being tracked so that those who are not accessing clubs can be targeted through lunchtime clubs or subsidiary. As a result more children are accessing school clubs and gaining at least their daily hour of activity.</p> <p>University sessions:  KS1 Ball Games  KS2 Basketball  KS2 Cross Country</p> <p>As a result chn are able to gain their recommended daily hour of fitness during the school day rather than at home. Chn are encourage to be more active in school</p>

		sport/movement at playtimes.		and this promotes the positive attitudes and values of P.E.
Increased participation in competitive sport.	Equipping children with knowledge, skills and motivation necessary to make them lifelong participators of sport and physical activity	Access competitive competitions through South Cambs School Sports Partnership; Cross country events Football Tournaments Orienteering Competitions CVC Sport Festivals (each year group Y1-6) Adapted Multi-sports Competitions.	Coaches/transport to competitions. <b>£200-£400 x 6 = £1200</b>  <b>£180 X 3 = £540</b> <b>Staff to attend competitions.</b>	Girls and Mixed teams entered in 7 a side Football Tournament with the mixed moving forward to County Finals. Cross Country and Orienteering competitions completed. CVC Sports Festivals arranged for all year groups.  As a result chn are participating in wider school competitions. They are meeting and participating in sport within their wider community. SEND and PPF chn are among different groups targeted to participate in multi school competitions. This has boosted their confidence as well as promoted the school games values e.g. self- belief, determination etc. within our school.
Measures to ensure year 6 cohort are meeting National Curriculum Requirements in Swimming.	Equipping children with the ability to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.	Chn to have high quality swimming lessons as their P.E requirement during the summer term. Chn identified who are not currently meeting requirement (20/48) and extra provision to be provided during children's university.	£200 Staff Swimming training.  P.E Coordinator to attend whole day swimming training.	P.E coordinator has organised whole school swimming training for the teachers to boost confidence and subject knowledge as a result teachers will deliver better quality swimming lessons with the aim of improving chn's swimming abilities before they leave Waterbeach. Teachers will feel valued and more confident in their abilities impacting the children's enjoyment and attitudes towards P.E. Training May 2018.  20/48 (42%) children identified as not yet meeting end of year requirements. Chn to receive 2 high quality targeted swimming

				lessons a week. As well as having an extra booster session during children's university. As a result this will improve the outcomes for the year 6 cohort as they prepare to leave Waterbeach.
