

Year 3 Summer Term Home Learning 2021

Home Learning is to be completed on Microsoft Teams or to be emailed to your class teacher. We are still unable to safely receive items from home into school.

Remember you are to choose one task each week to complete. You are not expected to complete all the tasks on the list. Choose the ones that interest you most, or if something not on the list interests you about our topic, feel free to research that.

For any creative tasks, please take a picture of it and upload it to Teams or email it to your teacher. Maybe create a PowerPoint which you could present to the class!

TASK	Task focus
Research a building in Britain that was built in Roman times. You could even make a model of a Roman building or structure.	History
Find out about Roman foods and try making a Roman recipe.	History/DT
Find out all about Italy and create a guide to Italy with some key facts.	Geography
Make a poster explaining about volcanoes or earthquakes.	Geography
Make a 3D volcano model. Can you find out how to make it 'erupt'? Make sure you have an adult with you before doing any 'eruptions'!	Geography/Science
Make a poster/information leaflet describing the lifecycle of a plant.	Science
Go on a hunt around your house to find different sources of light	Science
Practise telling the time at different points in the day.	Maths
Learn to recite a poem by heart.	English
Read a book or online article about the Romans.	English
Write a diary about one of these historical events: Mount Vesuvius erupting in Italy in AD79 or the Roman Army's invasion of Britain.	English
Research what happens for a Christian Baptism.	Religious Education
Research the name of different fruits in French and create a poster sharing this.	French
Make an informative poster about road safety, water safety or fire safety.	PSHE
Create a new version of Hokusai's famous 'The Great Wave'. You could use any materials that you like: paint, oil pastels, collage etc.	Art
Design a menu for a healthy meal, making sure it includes all the different food groups. Can you also prepare and make your meal?	Design Technology
Put some data into a graph using 2Graph on Purple Mash.	Computing/Maths
Learn a new song and practise performing it to a member of your family.	Music

Below are the links for the home learning that has been set on Mathletics and Spelling Shed.

Remember to practise your reading daily and to practise your times tables weekly on Times Table Rock Stars.

Mathletics: <https://login.mathletics.com/>

Spelling Shed: <https://play.edshed.com/>

TTRS: <https://play.ttrockstars.com/>

We hope you enjoy the tasks and activities. We look forward to seeing the work you produce.

Mrs Conroy, Mrs Fitch and Miss Sparkes
