Waterbeach Community Primary School
Weekly Learning Update: Year 1/2
Date: 19.11.26

Maths

Next week we will be learning about:

Year 1

- We will continue learning about numbers 11 to 20. We will focus on the place value of these numbers and how this helps us to write the numeral correctly. We will compare teen numbers and investigate which are odd or even.

Year 2

- We will continue to explore measurements, using centimetres and metres to compare different lengths.
- We will start learning about graphs. We will focus on interpreting pictograms and block diagrams.

English

Next week we will be learning about:

- We will be finishing our learning about instructions. We will plan our own set of instructions on how to wash an animal, write them and edit them using our success criteria.

Phonics Year 1

- We will learn the split vowel digraphs: /ai/ **a-e** (shake), /igh/ **i-e** (time), /oa/ **o-e** (home), /oo/ /yoo/ **u-e** (rude, cute).

Phonics/Spelling Year 2

- We will continue to review alternative graphemes for the /oo/, /yoo/, /air/, /ur/, /ow/ sounds.

Topic

To support our upcoming art work, we would be very grateful if you could send in any clean cardboard boxes, such as cereal boxes for the children to use in their artwork.

Due to allergies, please do not send in any items that have contained nut-based products.

Additional information & Reminders

The next set of maths home learning will be sent home with your child on Friday. **Please return the homework diary on Thursday.** You do not need to follow the days of the week on the homework diary – you might find it works better to do Saturday to Wednesday so you can return a completed diary on the Thursday.

Please make sure your child has a coat in school every day.

If your child has lines to say in our Nativity, these have now been sent home. If you could practise them together at home to help your child become familiar and confident with them, that would be wonderful. Thank you for your support.

Thank you for your continued support. Please get in touch if you have any questions.
Kind regards, the Year 1/2 team.
